## Education

- Bachelor of Science Degree in Journalism with a Major in Advertising from The University of Colorado in Boulder 1994.
- International Affairs (un finished) at University of New Orleans 2007-2008

## Experience

Agile and Versatile with 23 years experience in print management, 23 years experience in design and 15 years of programming experience. Addicted to work and priding oneself on accomplishments I quickly entered the creative realm of visual arts, photography and writing, employing these skills towards an unorthodox form of advertising, marketing and promotions.

## New Orleans Publishing Group:

New Orleans, LA 1/1995 – 8/1995 My first “real” job was with New Orleans Publishing Group, operating as an advertisement designer. Now that the buzzword in the design world, mostly relating to websites and applications, is UX/UI, I realize that I was a UI designer before the term became household, relaying messages through visuals, design, photography, space, color, typography and writing; I did not realize the specialty of my skill set, education, talent and experience.
